## Chapter 1 by Glowy-Druglord

"Eh? What'd you say?" the officer said to me. My curly red hair was in a fray as I desperately clung to his sleeve. I dragged over towards the bank I was sent from, my heart nearly bursting from my chest. He staggered as I dragged him away, holding on to his cap. "Hold on! What's wrong?"

Frightened tears streamed down my pale cheeks. "There are Supers attacking the bank! They've threatened to kill everyone there if I can't get a hold of a cop! Please! My mother is in there!" I turned and gazed into his deep brown eyes. I watch them turn a shade lighter as he let me guide him to the bank.

"Did you get a cop, sweetheart?" the telekentic asked in his deep voice.

The telepath nodded. "She's a good Super and a good girl. Bring him in and we'll let you and mother go." As I dragged him in, I could feel sinister pain erupting in my skull. I screamed, collapsing on the ground and clutching my head.

"Sorry, dear," the telepath said, narrowing his eyes with the control over the pain sensors in my brain. "We just can't allow you to walk away with your life."
